**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I left AT&T because after being a loyal customer for several years. I couldn't get a decent break on my bill. I'm a senior, but not a starving one. That's what they want to see people doing even seniors, before they can stop charging you through the nose.

I went with Sonic, because a friend of mine has Sonic, and she told me good things about them.

I believe companies like AT&T are responsible for any problems with transmitting signals when you transfer away from them. And the only hope, people with a limited income have is with companies like Sonic.

If it weren't for Sonic, I'd have to cut down on important things like groceries. The competitors don't offer any reasonable price services at all.

Please don't force me to have to chose between no service or not enough to eat!
